REVIEW AND RESULTS OF OPERATIONS

	CONSOLIDATED	
	2012	2011
	\$'000	\$'000
Sales revenue	23,457	22,452
Profit after income tax	5,120	3,903

Reported sales revenue for the six months ending 31 December 2012 was \$23,457,000, representing an increase of \$1,005,000 or 4% over the previous corresponding period. In constant currency terms, sales revenue increased by \$1,537,000 or 7%. The growth in sales revenue combined with continued management of operating costs and lower tax expense yielded a net profit after tax (NPAT) of \$5,120,000 representing an NPAT increase of \$1,217,000 over the previous corresponding period.

In particular, Superservice solutions revenue grew by 16% over the previous reporting period despite adverse foreign exchange impacts.

Subscription equivalents grew by 948 during the period to a record 71,464.

An interim half year dividend of 1.27 cents per share (franked to 0.5 cents) has been declared (FY12: 1.03 cents fully franked). This represents a 23% increase over the FY12 interim dividend. The record date to determine entitlements to the dividend distribution is 6 March 2013 and the date on which the dividend distribution is payable will be 19 March 2013.

During the second half of FY13, the Company anticipates a small increase in operational costs and an increase in amortisation and tax expense. However, continued growth in subscriptions and sales revenue is also anticipated. Consequently, the Company revises its FY13 NPAT guidance to \$8.5m to \$9.5m (previously \$8.0m to \$9.0m).

NOTES TO THE FINANCIAL STATEMENTS

31 December 2012

1. CORPORATE INFORMATION

The financial report of Infomedia Ltd for the half-year ended 31 December 2012 was authorised for issue in accordance with a resolution of the directors on 20 February 2013. Infomedia Ltd is a company incorporated in Australia and limited by shares, which are publicly traded on the Australian Stock Exchange.

The nature of the operations and principal activities of the consolidated entity are described in the Directors' Report.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The half-year financial report does not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the consolidated entity as the full financial report.

The half-year financial report should be read in conjunction with the annual Financial Report of Infomedia Ltd as at 30 June 2012.

It is also recommended that the half-year financial report be considered together with any public announcements made by Infomedia Ltd and its controlled entities during the half-year ended 31 December 2012 in accordance with the continuous disclosure obligations arising under the *ASX listing rules*.

(a) Basis of preparation

The half-year consolidated financial report is a general-purpose financial report, which has been prepared in accordance with the requirements of the *Corporations Act 2001*, AASB 134 *Interim Financial Reporting* and other mandatory professional reporting requirements as appropriate for profit orientated entities. The half-year financial report has been prepared on a historical cost basis, except for derivative financial instruments that have been measured at fair value. Compliance with AASB 134 ensures compliance with international financial reporting standard IAS 34 Interim Financial Reporting.

For the purpose of preparing the half-year financial report, the half-year has been treated as a discrete reporting period.

The financial report is presented in Australian dollars.

(b) Significant accounting policies

The half-year consolidated financial statements have been prepared using the same accounting policies as used in the annual financial statements for the year ended 30 June 2012.

(c) Basis of consolidation

The financial statements comprise the financial statements of Infomedia Ltd and its subsidiaries ('the Consolidated Entity'). The financial statements of subsidiaries are prepared for the same reporting period as the parent company, using consistent accounting policies. Adjustments are made to bring into line any dissimilar accounting policies that may exist. All intercompany balances and transactions, including unrealised profits arising from intra-group transactions, have been eliminated in full. Unrealised losses are eliminated unless costs cannot be recovered. Subsidiaries are consolidated from the date on which control is transferred to the Consolidated Entity and cease to be consolidated from the date on which control is transferred out of the Consolidated Entity. Where there is loss of control of a subsidiary, the consolidated financial statements include the results for the part of the reporting period during which Infomedia Ltd has control.

(d) Changes in accounting policies

The Consolidated Entity has not elected to early adopt any new standards or amendments that are issued but not yet effective.

7. SEGMENT INFORMATION

Identification of reportable segments

The group has identified its operating segments based on the internal reports that are reviewed and used by the Board of Directors (the chief operating decision makers) in assessing performance and in determining the allocation of resources.

The operating segments are identified by management based on the region in which the product is sold. Discrete financial information about each of these operating businesses is reported to the Board of Directors regularly.

The reportable segments are based on aggregated operating segments determined by the similarity of the products produced and sold as these are the sources of the Group's major risks and have the most effect on the rates of return.

Accounting policies and inter-segment transactions

The accounting policies used by the Group in reporting segments internally are the same as those contained in note 2 to the accounts and in the prior period.

The group accounting policies for segments are applied to the respective segments up to the segment result level.

Major customers

The Group has many customers to which it provides products. There is no significant reliance on any single customer.

We have reviewed the accompanying half-year financial report of Infomedia Ltd, which comprises the statement of financial position as at 31 December 2012, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising Infomedia Ltd and the entities it controlled at the half-year's end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the disclosing entity are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2012 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Infomedia Ltd, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the

Corporations Act 2001, which has been given to the directors of Infomedia Ltd, would be in the same terms if given to the directors as at the time of this auditor's review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Infomedia Ltd is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2012 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
